PEANUTS® GALLERY

*the making of Ellen Taaffe Zwilich's
suite for piano and orchestra*

Theodore Presser Company
448-00001 – DVD w/ Booklet – \$19.99
Running time: 27 minutes

In 1990, Charles M. Schulz saluted Zwilich in the Peanuts® strip for her flute concerto. This led to a fast friendship between the two talents and Zwilich's masterwork **Peanuts® Gallery**, a six-movement piano concerto, each movement illustrates a favorite character from the comic strip. Florida State University produced a documentary, also featured on PBS, of the collaboration that led to the creation of **Peanuts® Gallery**.

The DVD is a fascinating documentary on the making of **Peanuts® Gallery**, featuring interviews with Charles M. Schulz, Jean (Mrs. Charles M.) Schulz, and composer Ellen Taaffe Zwilich about their creative processes. The video also features a live performance by the Florida State University Orchestra with piano soloist James Nalley, conducted by Alex Jiménez (including Snoopy dancing the Samba!).

"Although I'm sad that Sparky (Schulz) didn't live to see this video project, he is very much a part of it, not only in spirit but in the wonderful footage we have of him and his characters, and in the on-camera participation of his beloved Jeannie."

-- Ellen Zwilich

ARCHIVAL WORKS and OUT-OF-PRINT MATERIALS

If you are looking for an archival or out-of-print work, please complete the photocopy license request form under the "licensing" tab on our website

www.carlfischer.com

Throughout the Trade Guide are titles with the indication "CP."

These are works available as print-on-demand, or **Custom Print**, editions. While **Custom Print** began as a service to provide one-off copies of music that had gone permanently out of print, we quickly realized that this was the perfect opportunity to bring new music to print, which would not otherwise be available!

We take great pride in the advances we've made in **Custom Print** production quality, and we work hard to ensure the shortest turn-around time possible between order and shipment. Today, our **Custom Print** department ships thousands of copies each year as a matter of routine.

Custom Print editions can be ordered quickly and easily through your Sales Rep, along with all of your normal print music needs.

Most **Custom Print** orders are shipped the same day or the following day, but if your order is time-sensitive, please be sure to communicate this to your Sales Rep at the time of the order.
