Orchestral Excerpts for Timpani

Selected and Annotated by Randy Max
with audio CD recording of the Excerpts

Theodore Presser Company
414-41194 • $39.99

Orchestral Excerpts for Timpani contains authentic parts for 57 of the most-requested audition excerpts for timpani. The enclosed 78-track audio CD includes these excerpts played by major orchestras, plus 21 play-along practice tracks. This unequalled collection is enriched by comments and performance suggestions by Randy Max, timpanist of the Rotterdam Philharmonic, who also offers detailed tuning plans, advice for practicing timpani and ear training, and historical information. The latest addition to the hit Orchestral Excerpts series, this unique book with audio provides indispensable audition preparation material for timpanists of all levels, from student to professional.

Randy Max’s Orchestral Excerpts for Timpani is now at the top of the list of Must Have books for the serious timpani student. It is simply unsurpassed in its comprehensiveness, detail and clarity. Bravo Randy!
-- Jim Atwood
Louisiana Philharmonic Orchestra
Cloyd Duff Timpani Masterclasses

Randy Max’s Orchestral Excerpts for Timpani examines the repertoire from every angle. This mass of information is delivered clearly and concisely, in an advisory rather than dictatorial manner. Furthermore, the introduction contains many invaluable ideas on practising excerpts, audition preparation, and ear training. An essential resource for any student or professional.
-- Matt Perry

Trinity College of Music

For some people auditions can be more mental than physical. Your book really helps overcome some of those anxiety problems and will help to bring about confidence in the player’s performance. Congratulations on a job well done.
-- Gerald Carlyss
Philadelphia Orchestra and
Indiana University (retired)

I have heard the statement “too much knowledge is dangerous”; however when it comes to preparing for an audition, the more knowledge you have the more prepared you are. Randy Max has written a book that gives you not only the music but information about the variations of tempi one can expect for each excerpt, historical facts about the music, bios of the composers and suggestions for practicing, tuning and sticking for both American and German style timpani playing. All this and a CD that accompanies the book so the excerpts can be heard and practiced. Orchestral Excerpts for Timpani is a “must have” book for the serious timpanist preparing for an audition. The 57 compositions represent the most requested audition excerpts and are done in a well organized, informative and easy to read manner. Highly recommended.

Eastman School of Music
I Used to Play is a new series for adults looking to get back into playing their instruments of yesteryear and will help jump start their memory and comfort with music. Its number one goal is to get people re-acquainted with their instrument(s) by providing them with types of music they want to play, such as pop, jazz, and classic tunes, rather than etudes.

Each book contains a CD with audio MP3 files of complete performances and accompaniment versions of most songs. The CD also contains printable PDFs of piano parts for practice or performance opportunities.

It's just the push former players need to fall back in love with their instruments again!

Throughout the Trade Guide are titles with the indication “CP.”

These are works available as print-on-demand, or Custom Print, editions. While Custom Print began as a service to provide one-off copies of music that had gone permanently out of print, we quickly realized that this was the perfect opportunity to bring new music to print, which would not otherwise be available!

We take great pride in the advances we’ve made in Custom Print production quality, and we work hard to ensure the shortest turn-around time possible between order and shipment. Today, our Custom Print department ships thousands of copies each year as a matter of routine.

Custom Print editions can be ordered quickly and easily through your Sales Rep, along with all of your normal print music needs.

Most Custom Print orders are shipped the same day or the following day, but if your order is time-sensitive, please be sure to communicate this to your Sales Rep at the time of the order.

WILLIAM KRAFT

The Percussionist’s Composer

William Kraft, a long-time orchestral timpanist, is highly respected and lauded, and still manages to push the artistic envelope. His Concerto No. 2 for Timpani, The Grand Encounter, revolves around a newly constructed “sonic cockpit” of 15 timpani, arranged in two levels. As such, the performance is as visually entertaining as it isaurally gratifying. For much more information about William Kraft, see our Composers Gallery page devoted to his works.
