Arranger's Notes

Let it Shine on Me is based on the melodies of the traditional Gospel songs “This Little Light of Mine” and “Shine on me”. The song contains Gospel syncopation layered within the context of the two songs.

When performing, refrain from using dental “t”s. Also use dynamics and crescendo each time a phrase is repeated. Careful not to oversing. Use pure vowels as well to maintain a unified tone quality across the parts. In terms of tempo, maintain a relaxed feel within the accompaniment.
