Notes

What is it about the creepy key of E minor that gives us the heebie-jeebies? It must be all the E-B-G-Bs! This eerie Grade 1½ piece follows these notes down underground to practice skips on the G string and low open E on bass, accompanied by shivering tremolo and a mysterious optional celesta part for extra spookiness.

About the Composer

Kathryn (Griesinger) Parrish received her B.A. (cello) and M.M. (music education) degrees from the University of Akron, where she later taught string pedagogy courses as adjunct faculty. She taught orchestra in Ohio and Florida private and public schools for 15 years, while freelancing as an arranger and cellist for various ensembles. She writes commissioned works and sight-reading music for regional music festivals. Kathryn currently works in educational music publication as an orchestra editor.
